

Dear Friends,

On behalf of the families of Camp Fatima of NJ we would like to invite you to our Ninth Annual Fall Golf Classic.

The outing will provide you with the opportunity to enjoy the day with good friends and colleagues while helping raise funds for this very worthy cause.

Know that in whatever way you choose to participate, the Golf Committee thanks you for your support.

Sincerely,

Your 2019 Fall Golf Classic Committee

Nino Asani and David Incorvaia of Pulse Medical Transportation are most pleased to host this Ninth Annual Fall Golf Classic to benefit Camp Fatima of New Jersey. Those who have encountered these fine men already know that GENEROSITY is their middle name! It is their hope that through your participation in this outing, their spirit of generosity will become contagious, spreading to you and throughout the State, in support of the programs of Camp Fatima.

We are blessed to have you "all together again" this year!

We believe that every child has a right to experience "play" in life.

We are New Jersey's only one-to-one, all volunteer, free camp for children with disabilities.

We exist to provide that experience for special children.

Who Are We

Camp Fatima is New Jersey's only all volunteer, one-to-one camping experience for children with disabilities. Camp Fatima is a not for profit, non-sectarian, 501c (3) organization designed to offer two - one week summer camp sessions to campers ages 5-21 and four weekend sessions throughout the year for adult campers.

Philosophy

We believe everyone has the right to experience play in their lives. We exist to provide free, quality, recreational programs for children and adults with disabilities.

History

In the 1960's, a few volunteers from New Jersey attended a church supported camping program for persons with disabilities called Camp Fatima of New Hampshire. So moved by their

experience the volunteers, upon their return home, decided to replicate the program for children in New Jersey. Having no financial support from any major group they gathered their friends and solicited donors to begin Camp Fatima of New Jersey modeled on their New

Hampshire experience. Camp Fatima was officially incorporated four years later in 1971 and has been in continuous operation since then. Camp Fatima is sustained through fundraising efforts of volunteers and by private donations. Camp Fatima does not receive government funding, does not charge any attendee of its programs, and additionally has never paid any staff members.

Camp Fatima annually serves more than 100 children each summer and over 100 adults through the weekend programs. Camp Fatima is operated by an all-volunteer operational Board of Directors. Each year over 300 volunteers give of their time and talents to create FATIMAGIC for everyone who attends!
